

ROCKMONSTERS

HALLOWEEN

GUIDELINES

**We're ROCK MONSTERS and we're BACK to say**

**Happy Halloween!**

**It's still our favorite holiday**

**despite Covid-19**

**Soon you'll put on costumes,**

**Have some fun and eat some sweets**

**But listen up before you trick-or-treat**

**and hit the streets**

Us **ROCK MONSTERS** give reminders,  
messages and advice

Here's some rules for **Halloween**

So read this over twice!

on **Halloween**, stay local.

That means: stay close to **home**

**Stick to your own neighbourhood, it's not the year to roam**

But before you ask for **TRICKS AND TREATS**

And walk along your block

**Wash** and **scrub** those hands of yours

And **THEN** on doors you'll knock

**And if you see a group ahead, should you keep on walking?**

**Nope! Keep your distance or cross the street and THEN continue knocking**

**Respect other groups and wait your turn, be courteous and kind**

**Admire costumes from afar – how many monsters can you find?**

**Your groups this year, should be quite small**

**No more than six together**

**But that's enough to have some fun**

**No matter what the weather**

**When you're handed CANDY please try to leave some space**

**Everyone will get a turn – Halloween is not a race!**

**And all the treats that you collect will be pre-packaged from the store**

**I wonder how many you can eat? One or two, or maybe more!**

Don't share your **treats** with others – keep it all within your **bubble**

Because sharing **treats** could mean sharing **germs**

And that could mean some trouble

Masks are good and so are gloves so wear them if you can

And **hand sanitizer** is everyone's friend

Us **ROCK MONSTERS** are a fan

There's one last rule to follow  
The most important rule of all

Have the most **spooktacular** night

Stay safe and **HAVE A BALL!**
